

# SAINT STEPHEN SCHOOL MISSION STATEMENT

Saint Stephen School is a Roman Catholic Elementary School in Hamden, Connecticut. We promote an environment of inclusion, which values the diverse backgrounds of all of our students within a close-knit nurturing community rooted in faith. We are dedicated to the ideal of teaching as Jesus by nourishing the God-given talents of our students through the pursuit of academic excellence, creative expression, and full preparation for high school. We instill in them an awareness and appreciation of Christ's presence within their lives through daily prayer, family liturgies, prayer services, and a full religious curriculum.

# A COMMUNITY DEEPLY ROOTED IN FAITH

Founded in 1964 by Father Albert Taylor, Saint Stephen School has had a long history of offering the finest in spiritual and academic programs that develop the whole child in Christian growth and development. Our students in Pre-K through 8 are encouraged to seek academic excellence, to develop God-given talents, and to be cognizant of the need for peace and justice in the world.

A majority of Saint Stephen students go on to attend Catholic high schools and area private schools.
